Mr. Robert Laxalt
620 Cardinal Way
Reno, Nevada

Dear Mr. Laxalt:

Many thanks for your co-operation on the Garner triplet story. It is scheduled for our February issue — a 2-page spread in the Interesting People section. You and the girls will be interested in knowing the color pix shot by Fred Swartz turned out extremely well.

And thank you for suggesting the actor who turned priest and is now missionary to the Indians. This one doesn't quite work out for us since we're pretty much overstocked with material on actors, religion and Indians. Glad to see other ideas, though, at any time. A list of general requirements for the Interesting People section is enclosed for your convenience.

Sincerely,
